1604 283917 Iusacell - OPUS/OPUS Mobile/OPUS turnkey to create Spanish screens for new Mexican Billing Solution

- Display this overlay when the Cart option is selected from the global menu.

A Show new wireless activation info here in a collapsible section.

B The "Included Features" section will be collapsed by default, but can be expanded by selecting the "Show" button. If the features are shown, then the "Show" button will change to a "Hide" button.

C Selecting "Sign & Pay Now" will display the Service Summary and Contract of Service, then continue to the **Payment Information** page.

D Show icon for "1-time" features if appropriate.

D1 Show 1-time charges if needed.

E The devices cannot be deleted from the cart during the activation flow.

The trash icon will not be displayed.
